

**ALCOHOLIC BEVERAGE  
POLICY FOR  
CONTESTANTS  
2010**

Absolutely no alcoholic beverages will be allowed onto the contest grounds via public admission gates. We ask that you bring alcohol through the team entrance at the time you set up or coordinate deliveries/drop-offs with your Contestant Host. In addition, we request that you refrain from giving alcohol to the general public and ask that your guests remain within your team space while consuming alcohol.

Thank you for your cooperation!
