Team Sponsorships..... 2010 at the Great American Barbecue

The idea behind a team sponsorship set up by the Great American Barbecue

The Great American Barbecue committee wants to help promote barbecue throughout the world and introduce those businesses that need a nudge to participate and help those teams who do barbecue the best. Our idea is to bring together those small businesses or groups that cannot afford a full-blown party and team with teams that want to share and get some help with costs of competing.

Team Benefits and Duties:

- Teams receive \$200 for 8 visitors, plus \$7 for each additional visitor
- Signage at team space for the weekend – “This team sponsored by _____”, provided by company
- One night at team for party/dinner/2 drinks tickets per person, or let them be a team member if you agree with them to mentor a few of their guests – Party night would be Friday, May 21, 2010
- Weekend wristband to the Great American Barbecue for each person from company from GAB
- Ability for the possibility of a long term sponsorship
- Team must be entered in the Great American Barbecue Open Contest
- Teams and sponsors will be paired once the company has paid its fee
